

ENGINIUS

Formation & Recrutement

ENGINIUS – What are we all about?

We at ENGINIUS offer training solutions to higher education institutions and students wishing to study in France, as well as student recruitment services to French and foreign higher education institutions through an entrance exam, the ENGINIUS Examination.

Our services

Recruitment

The ENGINIUS Examination designed for students wishing to enter a higher education institution in France or abroad

► **Asia, Sub-Saharan Africa, Maghreb...**

Training courses

Preparatory courses for students wishing to enter a French or a foreign higher education institution

French language courses (FLE) for non-French-speaking students wishing to attain sufficient language skills in order to study in a French-speaking study environment

ENGINIUS – Why should you choose us?

Whether you represent a higher education institution or are an aspiring student, we at ENGINIUS offer advantages to you!

- Our team has vast experience in student recruitment both in France and abroad.
- Our multidisciplinary scientific committee guarantees excellent scientific and technical skills.

To higher education institutions planning to recruit students via the ENGINIUS Examination, we offer:

- Personalised and customisable service: ability to select from several available solutions in order to ensure your recruitment activities are in line with your international strategy.
- International exposure for your training courses and study opportunities among international students.

To students planning to take the ENGINIUS Examination, we offer:

- International study opportunities: study experience abroad is a necessary element for your future international career and we make it possible.
- We are there for you: our team will provide you with all the necessary information and guidance to make your study experience abroad a success!
